**Laura Sweet Receives Sue Kraft Fussell Distinguished Service
Award from the Association of Fraternity/Sorority Advisors**

During the 2010 Association of Fraternity/Sorority Advisors (AFA) Annual Meeting in Phoenix, Arizona, Laura Sweet received the Sue Kraft Fussell Distinguished Service Award.

The Association's Distinguished Service Awards were established in 1985 to recognize those individuals who have exhibited professional standards and achievement in men's and women's fraternity advising, as well as outstanding achievement in various other areas including campus programming, development and research activities, and service to the college community. In 2006, the award was renamed for AFA's Executive Director, Sue Kraft Fussell in honor of her many talents, contributions, and leadership, her strong work ethic, commitment to the Association, dedication to our vision of a unified fraternal movement, and in recognition of her many years of distinguished service.

Sweet is the Senior Associate Dean of Students at East Carolina University where she has worked for over 30 years. She is a long tenured volunteer for Sigma Sigma Sigma and the National Panhellenic Conference. Sweet has served both organizations in many roles including National Panhellenic Conference Delegate and National President for Sigma Sigma Sigma and College Panhellenic Committee Chairman, and the current Long Range Planning Committee Chairman for NPC. One of her nominators said, "Laura Sweet has made a lifelong commitment to furthering the interfraternal movement. Her integrity, ethical principles, and ability to truly listen to others is above reproach." She received her Bachelor's and Master's degrees from University of Southern Mississippi.

The Association of Fraternity/Sorority Advisors (AFA) is a multifaceted professional organization providing resources, recognition, and support for over 1,500 fraternity and sorority professionals and volunteers from across the United States and Canada. Approximately 980 people attended the 2010 AFA Annual Meeting. For more information about AFA, please visit our website at www.fraternityadvisors.org
