

Thank you for recommending a potential new member!

Tri Sigma alumnae have a responsibility to ensure our legacy is continued. An alumna recommending a member is just one easy way to do so. We offer two ways for our alumnae to recommend a candidate for membership into our Sorority.

Please use one of the two ways to submit your alumnae recommendation. Before completing the form, you'll want to make sure you've collected the following:

- Contact information for the woman you are recommending for membership
- General background information on the candidate, including high school academic information, scholarships received, SAT/ACT score, honor society membership, and career goals.
- Photo of the candidate
- Gather additional information which might help paint a clear picture of the woman's leadership potential. Examples would include resume or personal letter of recommendation.

OPTION 1 – ONLINE FORM SUBMISSION

<https://form.jotform.com/50687072888975>

OPTION 2 – MAIL PRINTED FORM

- Complete the following form and print (use additional pages if necessary)
- Collect the information above to assemble into an envelope to be sent to National Headquarters

Woodstock, VA 22664

An alumnae recommendation does not guarantee a woman will receive a bid to join Tri Sigma. The recommendation ensure the chapter will do what they can to meet the woman and identify her leadership qualities and personality traits which might fit into the current culture of the chapter.
