

Character Program Idea #6

Banner Contest

Chapter Activity

Cost: \$10 – white sheet and copies of flyer for campus organizations

Time: 30 minutes

Supplies: Large open space and posting flyers on campus

If you want to encourage your campus community to think about character during CHARACTER COUNTS! Week (or anytime really) think about doing this simple character based Banner Contest.

- I. Revise the attached flyer with dates specific to your banner contest.
- II. Copy the attached flyer and distribute at a Panhellenic and IFC meeting. **Get all registered student organizations on campus involved and give the flyer to all clubs and organizations!**
- III. Get permission to use a large wall space on campus in a high traffic area. (The student center, a commons area, the library, a cafeteria, etc.)
- IV. Using an old sheet, create your Tri Sigma banner and display.
- V. Ask your campus Fraternity/Sorority Advisor and a favorite faculty member to serve as judges for the contest. Give an award (like character ribbons) to the winning organization.
- VI. Take pictures and share with us at trisigmacharacter@gmail.com using #WomenofCharacter, #CharacterCounts and #TriSigma.
