

NATIONAL POLICIES

FUNDAMENTAL STANDARDS

WHEREAS, since the 1956 Convention, responsible chapter leaders have endorsed for the National Organization the fundamental standards policy:

"As a worthy Sigma Sigma Sigma each member is expected to set an example which reflects creditably upon her college, her chapter, and her Sorority by conducting herself in all places and at all times in a manner above reproach."

WHEREAS, spiritual and moral values are essential to the integrity of the individual in modern society, and

WHEREAS, each member of Sigma Sigma Sigma has pledged herself to live with honor, to develop strong womanly character, and to uphold the ideals and virtues of the illustrious founders of our Order, and

WHEREAS, a lowering of standards and careless attitudes would adversely affect the preservation and advancement of Sigma Sigma Sigma as a Greek-letter society of high principles, therefore be it

RESOLVED, that Sigma Sigma Sigma looks to each member to exemplify in her personal life the heritage and ideals of the National Organization, and to maintain her self-respect and the respect of others, as a Sigma Sigma Sigma should, through intelligent and worthy conduct.

VISITATION AND CONDUCT IN COLLEGIATE HOUSING FACILITIES

WHEREAS, the Rituals and Declaration of Principles of Sigma Sigma Sigma state that the National Organization exists to establish a perpetual bond of friendship and offers opportunity for wholesome and gracious group living; and

WHEREAS, the presence of male visitors in private areas of Sigma Sigma Sigma collegiate housing facilities, including bedrooms, bathrooms and any other areas deemed as private and not "open to the public," tend to disrupt and interfere with the dynamics of group living amongst women in a sisterhood setting; and

WHEREAS, the presence in either public or private areas of Sigma Sigma Sigma collegiate housing facilities of any visitor(s) and members, both collegiate and alumnae and regardless of gender or sexual orientation, whose intentions and/or actions are romantic, intimate or sexual in nature, tends to disrupt and interfere with the dynamics of group living amongst women; and

WHEREAS, conduct, which is carnal or amorous in nature, in either public or private areas of Sigma Sigma Sigma collegiate housing facilities is also inappropriate and disruptive to wholesome and gracious group living; therefore, be it

RESOLVED, that both resident and non-resident, collegiate and alumnae members are responsible for the behavior and conduct of guests, visitors and themselves, at all times, in any/all areas, public and private, of Sigma Sigma Sigma collegiate housing facilities; and be it further

RESOLVED, that members, guests and visitors shall conduct themselves in a manner that will not embarrass any other member or place any other member in an awkward, uncomfortable, or offensive situation, shall behave properly, politely, civilly, and fittingly, and shall display appropriate decorum, while present at Sigma Sigma Sigma collegiate housing facilities, in order to ensure the safety, well-being and respect of the residents and of all fellow members; and be it further

RESOLVED, that collegiate chapters shall establish visitation hours for the public areas of Sigma Sigma Sigma housing facilities; and be it further

RESOLVED, that any conduct which is disruptive, impolite, improper and/or disorderly is prohibited in all areas of Sorority housing facilities; and be it further

RESOLVED, that Sigma Sigma Sigma prohibits the presence of male visitors in bedrooms, bathrooms, and any other private areas of Sorority housing facilities; and be it further

RESOLVED, that the presence of any visitor(s) and members, both collegiate and alumnae and regardless of gender or sexual orientation, whose intentions and/or actions are intimate or sexual in nature, in private areas of Sigma Sigma Sigma collegiate housing facilities is also prohibited.

CONTROLLED SUBSTANCES

WHEREAS, since 1898 Sigma Sigma Sigma has based its service to members, to the colleges where chapters exist, and to society at large on Tri Sigma's Declaration of Principles, and

WHEREAS, in upholding the essence of these Principles the following statements pertain:

The term, "controlled substance," means a drug or chemical whose manufacture, sale, possession, or use has been declared illegal by federal law unless the drug or chemical has been dispensed under a properly-licensed physician's prescription, including but not limited to the current list of controlled substances at the DEA Office of Diversion Control;

The manufacture, sale, possession, and use of controlled substances is regulated because of the dangers of addiction, abuse, physical and mental harm (including death) and the dangers from the trafficking of such substances by illegal means and from actions of persons who have used such substances;

The manufacture, sale, possession, or use of controlled substances other than prescription drugs is illegal at any time and at any age; is highly detrimental to the group and is highly dangerous to the individual; and is disruptive to the conduct of a responsible chapter; and

Prescription drug use is only appropriate under the direct supervision of a properly licensed physician or practitioner and for treatment of a documented medical condition. Abuse or misuse of a controlled substance obtained through a physician's prescription is also highly detrimental to the group and highly dangerous to the individual and is also disruptive to the conduct of a responsible chapter, and

WHEREAS, the 2013 Convention body adopted the Alumnae Accountability process, specifying that the National Bylaws and National Policies apply to all members of Sigma Sigma Sigma, regardless of their status as New Member, Member or Alumna; now, therefore be it

RESOLVED, that Sigma Sigma Sigma reaffirms its long-standing policy prohibiting the manufacture, sale, possession, use of, or other involvement with any controlled substance, other than a prescription drug, by any collegiate or alumnae member and any collegiate or alumnae chapter; and be it further

RESOLVED, that Sigma Sigma Sigma also affirms its policy prohibiting the abuse or misuse of, or other unauthorized involvement with, any prescription drug by any collegiate or alumnae member or any collegiate or alumnae chapter; and be it further

RESOLVED, that adherence to this controlled substances policy shall be mandatory and is the personal responsibility of every collegiate and alumnae member and every collegiate and alumnae chapter of Sigma Sigma Sigma; and be it further

RESOLVED, that any collegiate or alumnae member of Sigma Sigma Sigma who is found through the collegiate or alumnae accountability processes to have violated this policy, at any time and in any place may be terminated immediately from membership.

HAZING

WHEREAS, hazing shall have no part in a membership program, because it is detrimental to Sigma Sigma Sigma Sisterhood. Hazing is defined as any action taken or situation created, knowingly, whether on or off Sorority premises, to produce mental or physical discomfort, embarrassment, harassment, ridicule, or an uncomfortable atmosphere. Such activities may include but are not limited to the following: use of alcohol; creation of excessive fatigue; physical or psychological shocks; engaging in public stunts or jokes; morally degrading or humiliating games and activities; scavenger hunts or quests which must be completed within a specific amount of time; late work sessions which interfere with regular class attendance or study time; and any other activities which are not consistent with the rules, policies and regulations of the educational institution or the ritual, policies and procedures of the National Organization, and

WHEREAS, in many states, hazing practices are against the law, and

WHEREAS, all Sigma Sigma Sigma group and individual activities should exemplify love and respect for each Sister, and

WHEREAS, hazing does not exemplify love and respect toward a new member sister but rather a degree of physical abuse and undignified treatment, and

WHEREAS, hazing abuse may harm a Sister physically and/or emotionally, and

WHEREAS, hazing may create an uncomfortable atmosphere in the chapter, and

WHEREAS, hazing may draw criticism from campus, community, parents, and potential members, and

WHEREAS, sisterhood "spirit" and "unification activities" should be a reflection of the group's appreciation of each member's personal worth and should contribute to an increasingly meaningful participation and to mature relationships within the chapter, and

WHEREAS, hazing may subject Sigma Sigma Sigma chapters, individual members, or both to legal liability, therefore, be it

RESOLVED, that hazing shall have no part in a membership program, because it is detrimental to Sigma Sigma Sigma Sisterhood, and be it further

RESOLVED, that any woman found accountable of hazing through collegiate or alumnae accountability processes will be immediately terminated from membership.

HOUSE DIRECTOR

RESOLVED, that Sigma Sigma Sigma affirms that a chapter with a house is best served by engaging a House Director. The individual House Corporation will be charged with determining the policy for the chapter and a live-in House Director.

ALCOHOL

WHEREAS, Sigma Sigma Sigma recognizes the different attitudes of its members toward the use of alcohol, the multiplicity of laws regarding age and liability, and the possibility of unwarranted slander, or the creation/perpetuation of individual and chapter image unbecoming to sorority women, and

WHEREAS, Sigma Sigma Sigma also recognizes the twin concepts of individual freedom and the responsibility of each individual for the welfare of others, and

WHEREAS, Sigma Sigma Sigma urges all members to practice the principles of personal dignity, self-discipline, and dedication to social standards worthy of Sigma Sigma Sigma, therefore be it

RESOLVED, that Sigma Sigma Sigma reaffirms its long-standing policy prohibiting the storage, use, or serving of alcohol in a sorority housing facility; and be it further

RESOLVED, that the use or serving of alcohol is prohibited at any function or event initiated by, held under the auspices of, and/or financed in whole or in part by Sigma Sigma Sigma except at closed social events (as defined from time to time in the procedure manual of Sigma Sigma Sigma) held other than at the sorority housing facility, and that otherwise comply with the Sigma Sigma Sigma Procedures for Events Where Alcohol Is Served (as modified from time to time by Executive Council); and be it further

RESOLVED, that adherence to this alcohol policy, as interpreted in the procedure manual, shall be mandatory and is the personal responsibility of every

alumnae and collegiate member and alumnae and collegiate chapters of Sigma Sigma Sigma; and be it further

RESOLVED, that alcohol cannot at any time be purchased using chapter funds and shall never be given as a gift to any member or new member as part of a chapter activity; and be it further

RESOLVED, that, in addition to the restrictions imposed by the preceding paragraphs, no member of Sigma Sigma Sigma shall purchase, possess, consume, or distribute alcohol in a manner that would cause her or anyone else to violate applicable federal, state or local drinking laws or university policies; and be it further

RESOLVED, that, any chapter or individual collegiate or alumnae member of Sigma Sigma Sigma violating this policy is subject to disciplinary action.

WHEREAS, Sigma Sigma Sigma works to both advance and protect the National Organization's brand as a part of our larger marketing and communications activities; and

WHEREAS, Sigma Sigma Sigma Sorority, its collegiate and alumnae chapters, its individual members, volunteers and employees actively engage in electronic and social media-based forms of communication; and

WHEREAS, electronic and social media-based communications have the ability to be rapidly and widely spread across multiple networks; and

WHEREAS, the electronic or social media communications of an individual member, employee or affiliate of Sigma Sigma Sigma can be misconstrued as the policy, position or belief of the National Organization; and

WHEREAS, Sigma Sigma Sigma recognizes third parties' need to protect their brand and proprietary information; now, therefore, be it

RESOLVED, when acting on behalf of the National Organization, new or initiated members, alumnae, volunteers or employees must not use electronic communications and/or social media to post, transmit, store, retrieve, display, distribute, share or download content that is defamatory, violent or sexually explicit material; or discriminatory language; and/or threats of violence; personal attacks based upon race, religion, color, sex, sexual orientation, gender, gender identity, age, national origin, ancestry, citizenship, disability status; or promotion of illegal activities.

FURTHER RESOLVED, when acting on behalf of the National Organization, new or initiated members, alumnae, volunteers or employees must verify that the content they post does not contain proprietary third-party material without proper authorization or compliance with copyright, trademark or other applicable laws.

FURTHER RESOLVED, when not acting on behalf of the National Organization, new or initiated members, alumnae, volunteers or employees must never disclose confidential proprietary information learned in the course of their employment or involvement as a member or volunteer.

FURTHER RESOLVED, when not acting on behalf of the National Organization, new or initiated members, alumnae, volunteers or employees must not present views or personal thoughts, in written, image, graphic, video or photo form, on any electronic or social media outlet in a manner that could be construed to represent Sigma Sigma Sigma, Inc.

WHEREAS, the activities of the National Organization are directed to the interests and needs of women, and

WHEREAS, Sigma Sigma Sigma chapters are not prepared or authorized to assume the responsibility legally or informally for the establishment by name or intent of men's auxiliary organizations, therefore be it

RESOLVED, that men's auxiliary organizations are inappropriate to the mission and purpose of Sigma Sigma Sigma, therefore, Sigma Sigma Sigma chapters shall not establish or affiliate with men's auxiliary organizations.

SEXUAL HARASSMENT AND HUMAN DIGNITY

WHEREAS, Sigma Sigma Sigma supports the statement on human dignity and sexual harassment endorsed by the NPC member groups:

"that college women should have a positive influence in the direction and achievements of the university community and activities should promote self-worth, human dignity, and a positive Greek image,

that the dignity of the individual is a basic element of a civilized society,

that individual self-worth is a necessary factor in establishing healthy relationships between the sexes, and

that sexual harassment of women to any degree is a detriment to building self-worth,

that all activities, including competitive games, which are destructive, demeaning, or abusive, promote a negative image of the Greek community."

WHEREAS, engaging in such activities which are demeaning to the individual and do not reflect a positive image of the National Organization are not in conformance with the high standards and ideals maintained by Sigma Sigma Sigma, therefore be it

RESOLVED, that Sigma Sigma Sigma does not endorse or support activities that are demeaning to either sex in nature, cause disharmony among NPC or any groups, do not respect the dignity of the individual and are counter-productive in purpose; and be it further

RESOLVED, that Sigma Sigma Sigma reaffirms its long-standing position prohibiting sexual harassment by any member and any chapter; and be it further

RESOLVED, that adherence to this sexual harassment and human dignity policy shall be mandatory and is the personal responsibility of every member and chapter of Sigma Sigma Sigma; and be it further

RESOLVED, that any chapter or member of Sigma Sigma Sigma violating this policy is subject to disciplinary action.

BEER COMPANY SPONSORSHIP

WHEREAS, beer company sponsorship of activities is in conflict with our National Policy regarding alcohol, and

WHEREAS, participation and support of such activities would appear to be an endorsement of the product and reflect unfavorably on the image and reputation of Sigma Sigma Sigma and the high standards maintained by its membership, therefore be it

RESOLVED, that Sigma Sigma Sigma does not endorse beer company sponsorship of activities and does not support member or chapter participation in such activities.

NOTE: Throughout this document, "members" include both initiated women and those who have been formally pledged but not yet initiated.

POSITION STATEMENTS

WOMEN'S AUXILIARY ORGANIZATIONS TO MEN'S FRATERNITIES

WHEREAS, The National Panhellenic Conference has adopted several Resolutions regarding Little Sister Organizations of men's fraternities which discourage such women's auxiliary groups and express concern and disfavor upon auxiliary groups because the activities of such groups are in conflict with NPC policies, and

WHEREAS, The Fraternity Executives Association has adopted a Resolution stating the women's auxiliary organizations are not desirable adjuncts to the collegiate chapters of men's fraternities, and

WHEREAS, The National Interfraternity Conference has requested that all women's auxiliary organizations be discontinued; and

WHEREAS, Sigma Sigma Sigma endorses these resolutions; and

WHEREAS, Sigma Sigma Sigma intends the term, "women's auxiliary organizations" to encompass both official and unofficial Little Sister organizations and all similar types of arrangements; therefore, be it

WHEREAS, Prejudice and discrimination do not contribute to creating a perpetual bond of friendship, developing strong womanly character or promoting high standards of conduct; therefore, be it

RESOLVED, Sigma Sigma Sigma has adopted this position statement to provide clarification regarding gender, gender identity, and gender expression of the Sorority's members, whether collegiate or alumnae; and therefore, be it

RESOLVED, a potential new member who self-identifies as a woman shall be treated as a woman regardless of any other circumstances.
